ABOUT PORCHFEST

Porchfest is an afternoon of free music performed outside of people's homes and in other public spaces. Over 100 cities across the country hold Porchfests. Musicians, both professional and amateur, perform voluntarily at a designated time and location. Attendees stroll from venue to venue, in order to hear the music of their choice.

Fenway Porchfest is a collaboration between the Fenway Alliance, the Fenway Civic Association, and the Fenway Community Development Corporation. For more information, please visit <https://fenwayporchfest.org>.
