About Us

The Fenway Alliance is a consortium of 21 nationally and internationally renowned cultural and academic institutions located in the Fenway. It defines the best of arts, culture, education, and research in Boston and beyond.

Our Mission

Our collective goal is to enhance the district, creating an area in the City of Boston that remains and grows in its uniquely rich academic and cultural offerings, and its beautiful parklands and green spaces. We created and sustain the Fenway Cultural District, and provide the highest quality intellectual, social and cultural opportunities for individuals and families throughout the region.
